

Adding Adaptive release to your Blackboard Assignment

This guide explains how to control the release of a Bb Assignment/Exam in Blackboard using the **AdaptiveRelease** features of Blackboard. You can use **Adaptive Release** to restrict students from seeing content until it is appropriate for them to have access to it.

When setting up an Assignment there is a section at the bottom of the page where you can input the dates and time that the Assignment/Exam is visible to students

AVAILABILITY

Make the Assignment Available

Limit Availability

Display After 07/06/2021 09:00

Display Until 07/06/2021 16:00

Track Number of Views

The Make Assignment Available option controls the overall availability and must be enabled for the Display After/Until options to take effect.

An Assignment/Exam that is set up to appear at a specific date will have the following text displayed below it...

exam Semester 2

Availability: Item is hidden from students. It will be available after 07-Jun-2021 09:00.
